The successful bid will be awarded a total period of 30 Days within which to prepare, ship, and install the same. The successful bidder shall have no right to withdraw the order unless the buyer notifies the seller at least five (5) days prior to the termination date. Buyer may cancel the order at any time, without providing any reason, and seller shall refund the money paid, but only upon receipt of the properly executed and filed Invoice. If the order is cancelled within the five (5) day period, the buyer will be liable for liquidated damages of the sum of ten percent (10%) per annum of the bid price per day of cancellation. If the order is not cancelled within the five (5) day period, the buyer shall be liable for liquidated damages of the bid price per order per day of cancellation. The successful bidder will be required to provide additional supervision of the installation, testing, and acceptance. Seller shall make every reasonable effort to schedule the equipment installation to the maximum extent possible within the required time frame. Seller will be required to provide additional supervision of the equipment installation, testing, and acceptance. Installation, testing and acceptance shall be in accordance with the specifications, Drawings, Sizes and or Dimensions, as may be required by Seller. The following items are to be included: 1. Electrical Riser cables, additional wires, Bays, trays, and brackets as requested by the Seller 2. Complete set of cut outs or outlets, pull outs and counter tops 3. Trim Lines 4. Feet, Slab Brackets, etc. 5. All Permits 6. All Material and other costs incurred by Seller in shipping and handling. Invoices: Seller shall be required to provide a separate invoice for the order to the Buyer. Buyer shall remit payment to the Seller for the order within thirty (30) days after delivery or the Seller may charge to the Buyer for any loss of profit, income, or consequential damages. The Seller will be responsible to the Buyer for any cost of delivery, handling and/or shipping; if delivery or shipping of the order is delayed by the Buyer, the Seller will be required to complete and deliver the order, but the Seller will be entitled to charge the Buyer the additional costs incurred to complete the order. Seller shall furnish a certificate of insurance. Seller shall be responsible for obtaining and providing any necessary permits, 2d92ce491b
