Description - The number one bestselling author offers up his newest and most outrageous thriller, a transgressive story that comes from the extraordinary life of an innocent twenty-year-old woman who found herself in a world so dangerous that her enemies once tried to kill her. SURYA SONIYO Alex Cross Arrives at Twenty. An unlikely friendship. And a dangerous case that could bring the LAPD to its knees. Alex Cross has just turned twenty. And he's ready to enter the real world. Except for one thing. There's a missing woman and a killer who's just stepped into the spotlight. The case seems to be an easy one—but this one is going to change everything. Along Came a Spider is the fifth thriller in James Patterson's thriller series about the murder squad of the LAPD. In honor of Patterson's career achievements, he has made Along Came a Spider (HarperCollins, 2011) available to readers for the first time in a trade paperback edition. This exciting book is especially for those who already love the series. In fact, along with his publisher, Patterson has made a print-to-order audio version available on Audible.com to help readers, listeners, and readers better experience this book. Here is an excerpt that will whet your appetite for the whole series: You have to admire a murderer who knows how to choose his targets. He's smart and meticulous—and he knows exactly how to cover his tracks. A lot of people knew that this girl was dead. Some of them had wanted her dead. The only ones who were... A daring criminal commits a perfect crime. One murder. One step. Two steps. Three steps. 2d92ce491b
