Starcraft 2 Offline/Campaign 9v9 "Starcraft 2 Offline" is an extremely useful feature of Starcraft 2 if you want to save your hard earned crowns for something else, or are on a public computer and need to play without the net. May 16, 2019 Strategy game developers Blizzard Entertainment released a free playable offline offline mode of StarCraft II: Wings of Liberty as a part of the game's campaign. Offline mode allows players to play the first four missions offline for immediate gameplay impact, or play through any of the eight campaigns for better completion experience. Allows multiplayer play on Battle.net, but not ladder. Allows campaign and multiplayer play without the Battle.net application. Allows multiplayer and multiplayer-enabled campaigns offline. Assumes that the player controls the protagonist Terran race. Requires original DVD or digital download of the game. Requires the Battle.net application. Account name and password are not required. Since multiple physical copies of the game may exist, only one copy may be used offline In the off-line menu, the game randomly selects a multiplayer map and offers it to the player. New units and abilities that are acquired during the campaigns are available to play in multiplayer. Players may earn new units and abilities by completing challenges in campaign mission one. New units may not be upgraded. New units may be given names in StarCraft II that are accessible only through the off-line mode. New units may not be acquired through zerging in multiplayer. New units may not be recalled from discard pile in multiplayer. New units may only be summoned through the off-line mode. New units may not be recruited via mining in multiplayer. New units may be recalled from discard pile in multiplayer. New units may not be acquired through building in multiplayer.
