you don't want to end up  
disappointed like I did. I'll explain. I  
don't know how to summarize this  
movie. There's no 'accurate'  
summary for this movie as that's a  
word that isn't used too much in  
Hollywood these days, other than  
calling something a comedy. Okay,  
so it has fun parts but you're also  
going to get your heart ripped out.

It's like when you are a kid and you are experiencing the mother of all horror movies. You know where you have to be on time, and you're going to have to be ready for what's going to happen. You know where you have to be, and you know what's going to happen, but it is going to be horrifying. I'll explain more after the movie. It was a really weird experience going to see this movie, because I've seen the trailer, but I didn't know what to expect in terms of what it was going to be. Like, it looked cool, but it's also

going to be really bad? I saw the movie, but can't really talk about it right now, because I'm still trying to process it. I want to think about it and everything. I don't even know if I should talk about it. It's just such a whirlwind of such a dark and confusing movie. To add to it, I'm torn between being pissed off and being really bothered by it. I mean, I just want to know what's going on. I'm not prepared for all of this. There's so much about this movie that I don't know about. It's fucked up that I don't know some

stuff, which is really frustrating. In  
any case, I
