

November 15, 2018 á€” Metacritic Game Reviews, Judged: A Court Simulator for PC, in Judged you start out as a fresh judge in a lowly traffic court . You are tasked with managing this doomsday place and making decisions that will ultimately affect the lives of others. In Judged, you will take on the job of a traffic judge to regulate traffic in a major city, make decisions based on complex evidence, and determine who is the victim of an accident and who is at fault in a traffic accident. This will help you understand what justice is and how it works. You must do your job without worrying about the consequences.
