Damodarastakam In Malayalam 31.pdf Translation - Anastasia Smirnova. I want to tell you about one incident that left a deep impression on my heart. One day my wife and I were going to the airport to fly to Sri Lanka. She called her father to help her put on her suitcase. He asked her how to get to him, because he was at that time in another city. She explained to him. After that, she told him that she was already getting into the car, and then she asked: "Dad, are you already on your way?" I was standing at the door at the time.
