The above is a list of songs recorded for the soundtrack to the 2010 FIFA World Cup South Africa. The 2010 FIFA World Cup South Africa was the 20th FIFA World Cup, an international football tournament contested by the men's national teams of the member associations of FIFA once every four years. The tournament was held in South Africa from 11 June to 11 July 2010, a joint country venture with the Organising Committee for the 2010 FIFA World Cup and the South African Department of Sport and Recreation. This was the first FIFA World Cup outside the Americas, Africa or Europe, and the fourth World Cup in South Africa. The tournament was won by Spain, who beat the Netherlands 2–1 in the final on 11 July 2010. Due to the difficulty of hosting the event and the large number of proposed venues, FIFA directed that it should be held in just one venue, Soccer City, one of five stadiums built specifically for the tournament. South Africa had hosted the 1999 FIFA Confederations Cup. This was the first time that South Africa hosted both the FIFA World Cup™ and the FIFA Confederations Cup, as well as the third country to do so after Mexico (1961 and 1970) and France (1998). It was the first World Cup hosted by a black African nation. A total of 16 teams from all the FIFA confederation competed in the tournament, 16 teams compared to the 13 that competed in the 1934 FIFA World Cup, the last time the tournament had been held on this continent. The first match was played between South Africa and Mexico on 11 June 2010. The final took place at the Soccer City stadium in Johannesburg on 11 July 2010, where Spain defeated the Netherlands by a score of 2–1. The 2010 FIFA World Cup was awarded the Lionel Messi Prize in 2010. It was the first FIFA award to go to a player and the second FIFA award to be given to a South African, following the previous year's FIFA World Player of the Year award. 2010 FIFA World Cup South Africa Pc Game Password 15l. 2010 Fifa World Cup South Africa Pc Game Password 15l.
