FC Barcelona Windows 7 Theme With Song Crack Download [Win/Mac] [Latest-2022]

FC Barcelona Windows 7 Theme with song is a high-resolution Windows 7 theme with a full soundtrack, including the original and live TV recordings of “El Cant del Barça”, the football club’s anthem. You can transform your Windows 7 desktop into a total football theme with simple and intuitive drag-and-drop or with a click of a button. You can customize your theme to fit your style and mood. You can choose to have the background of your screen change every second, every hour, every day, or every week, according to your personalized needs. You can choose among the pictures (41) that compose the theme, all of which have the club's crest. There are ten different images that are displayed in five rows, starting from the top and descending. With a simple click of the mouse, you can switch between the images, choosing from among ten different options. The choice of which picture should be displayed in which position is very flexible: you can have a picture fit the entire screen, go to fill the space, or stretch. Additionally, you can choose the time frame between two images, including a set delay, which means that you will not hear the song again for a whole week. You can set the song to play every second, every hour, every day, or every week. What's new in this version: Fixed some bugs
