Black And White Studio With Product Key (Updated 2022)

This is a colour supplement to the standard Adobe Photoshop lens-filter plugin, LensStudio. Black and White Studio Serial Key utilizes both the Look Up Table (LUT) and lens-filter functionality in order to significantly expand your colour-contrast exposure options. With a simple click of the mouse you can make any colour burst grayscale: pinks to purples, blues to yellows, but also add any desired filter, including lens-filter presets or your own custom settings. For this we offer 20 different colour filters (made by native artist Deniz Alkibar) to choose from, which are provided as additional plugin add-ons for Black and White Studio.
