All the game's configuration files should be copied to this folder so you can export the map editor settings to that folder. In the main editor screen, open Preferences -> Save. Change the value "MapEditorSettings" to "MapEditorSettings.xck", and then save and close the editor. The editor will open again, and you can now choose between creating a new map or editing one. Source: Mar 16, 2022  
Save/Load Cheat for Far Cry 2 you need to go to the folder. In the main editor screen, open preferences -> save. change the option editorsave to 1 save and close the editor but when he tries to save it gives an error, and he is stuck at the frozen A: Install FarCry2Config.xck-map editor to your PC and save the map editor settings to that xck. Just open the map editor with FarCry2Config from your far cry 2 start menu. From the default options click save and close then change the save location. Here you can save the xck as a. NOTE: This will over write any changes you make to other settings. Indianapolis Indians The Indianapolis Indians were a minor league baseball team based in Indianapolis, Indiana. The team played in the Appalachian League and affiliated with several major league teams. The team was founded in 1888 as the Philadelphia Indians, moved to Indianapolis in 1890, and the name was changed in 1895. The team lasted two seasons in Indianapolis, moving to Cleveland in 1891. It was renamed the Cleveland Browns in 1892 and the Cleveland Spiders in 1895. The team played its home games at League Park. The Indians played their home opener on April 19, 1888, at 5th Street Park in Indianapolis, Indiana. Their first league game was on June 18, 1888. The Cleveland Browns played their home opener on April 18, 1891, at League Park. The team played its final game on September 13, 1894, losing to the Louisville Colonels 2-0. The next day, the Browns became the Cleveland Spiders. Year-by-Year Record Indianapolis Browns Cleveland Browns
