Comedy series. "Jackie", the
notorious Jackie (if you watch the

first episode, you won't find him there) is a simple guy from Vrindavan, born in a poor family, who came to Hyderabad, where he began to work in a bank. Many years later, he returns to Haydarat again. Now it is a completely different city, where he has his own house and banking. His son became his second in command and over the past 10 years we have

seen Jackie mature. Now he needs an assistant. The eldest son learned a very life lesson, but he is unable to receive it. When Jackie offered to help Naruto with the family business, he didn't think it could happen so soon.
