Snipaste [Mac/Win]

Hello there! A simple snipping tool that makes your life easier. Snipaste For Windows 10 Crack allows you to capture any window, element, or any area of the screen in a picture by simply pressing F1. You can also drag over multiple elements and Snapcade will automatically create a perfect snap. The interface is very simple, so we made it minimalistic and easy to use. What's new in this version: - New icon - Fixed some bugs - Fixed several crashes - Cleaned up and polished the look and feel - Added some minor fixes for Windows 8 Note: This version replaces 1.4 version. The old version works fine with this one but we have a lot of the old bugs and issues fixed so we made this version "1.4" for terminology sake. Keywords: Snipaste Download With Full Cracktheme, easy win, screenshot, make screenprint, make screenshot, desktop clipping, screenprint, screengrab, screenshot A powerful and easy to use screen capture utility.
