Apply. 19 Comments chuckmydaddy2008 oh no, he doesn't have a kiddie kobra. just my little girl on her birthday. but i do not want her on the computer... or on any computers. or anywhere. 2008-06-25 03:43:56 mike jaspers. Nah, that is how we did it when I was growing up. 2008-06-25 03:48:40 robert Well, I guess that's fine but I've been telling my kids for years that "anybody can get on the computer". Now I have to deal with a little web zombie 2008-06-25 03:48:42 ilovemykids2013 Ever since we were in middle school, I have been convinced that there are two different types of people who use the computer. It's either the people with massive porn accounts and who know every website that has adult content, or it's the typical families who have no idea what a porn site is or that it even exists. I always prefer the latter. It's the way it is. I can't wait for the next generation that will no longer be able to view porn online without showing my face. 2008-06-25 03:53:29 ilovemykids2013 Just wait until they start asking about porn and all the knowledge they will get from the internet. 2008-06-25 03:53:30 cmozolo Since my daughter was born I've been trying to teach her not to do anything on the Internet. I don't know 1d6a3396d6

Parental-Controls.NET Free

Parental-Controls.NET is a professional application designed to protect their children from dangers on the Internet, preventing them from indulging in unrestrained virtual space. Parental-controls can filter out adult web sites, which with objects not fit for children.
