Dear friends, I have the new version of the game, Cisco Aspire Ccna Edition. What you can now do is learn and practice your Cisco certification with the new version of the game. This version of the game is upgraded version with the new user interface. You can now enjoy the soft factory mode. As a result, it is very easy to understand the concepts. Take a look of the screen shot and save it to your pictures folder. For your convenience, I have provided a link below so that you can download the image. You also need to provide a title to be able to download this image. Im very pleased to be able to bring you a fun and informative tutorial which will put you on the path to a Cisco certification. This tutorial will teach you about Cisco Interconnecting Cisco Networking Devices Part 1 (ICND1) exam. If you are a new Cisco certified associate, the examination is tough. This tutorial will teach you everything you need to pass the exam, along with a foundation of networking and Cisco terminology. The tutorial will guide you through the following areas: 1. Getting the game ready to access real Cisco network elements. 2. Exam preparation. How to study. 3. Exam simulations. 4. Exam preparation - scoring. 5. How to score your work and stay productive. 6. How to keep your network up to date For those that have obtained your Cisco certification, you will be happy to know that the tutorial will also show you how to update your Cisco certification. Depending on your previous study, this tutorial will only take 3 to 6 hours to complete. What do you get when you finish the course? 1. A proof copy of the course manual. 2. A certificate of completion. 3. A final score for your work, and a release of information for any personal information you provided. 4. Any updates to the course within the next two weeks. If I add a new update, you will be notified by email and notified with a link to the relevant pages. If you have any questions or concerns about the tutorial, please email me via the form on the website or via the email address provided at the top of the course.
