

## What are some of the new haircuts for men?

This can be regarded as a very popular question among a lot of men these days. Currently, men give a lot of attention to their hair as well as their hairstyles. Here, we will be discussing some of the **new haircuts for men** in detail. This discussion can be regarded as very important because it will give them the necessary details regarding the different haircuts that they can try. Sometimes, they become confused regarding which particular hairstyle to choose. During such circumstances, they can definitely try consulting an efficient hair stylist who can guide them regarding the different available options. So, without further delay, let's take a look at these haircuts in detail.

### Short fringe, one of the best **new haircuts for men**

A fringe can be considered as a very small change that has the capability of making a big impact. They add definition and shape to the person's face. This haircut is very popular among men who have a high forehead or triangular face shape.

### Disconnected pompadour

This can be regarded as one of the best options for all those men out there. In this case, you will be pairing the pompadour with a disconnected undercut. This will definitely give the classic men's haircut a modern as well as edgy twist.

### Side parted short wavy hair

If you are parting the hair on your left, then it can make you appear manly as well as confident. On the other hand, parting on the right will give you a softer and more feminine vibe. Irrespective of the parting side that you choose, it can be assured that this is definitely one of the best **new haircuts for men** with short, thick and wavy hair.

### Taper fade with slick back

This can also be regarded as a great option for you. A notable feature of this haircut is that here, the hair tapers down the back and sides. It will gradually get shorter as it goes down the head and then finally, it will blend into the skin. Thus, this haircut can be regarded as very sharp and chic. This hairstyle is great for work and play.

### Butch cut

This can be regarded as one of the best military hairstyles. It has been observed that this haircut is quite popular among athletes. In this case, the hair is cropped short. The length of the hair is kept the same around the head. It can be regarded as a very effortless and

hassle-free haircut. It will instantly change the look of your face. The main advantage of this haircut is that it doesn't look sloppy after a few weeks away from the barber chair. Thus, it is appropriate to say that this is definitely worth considering for low-maintenance guys.

### Disconnected undercut

In this particular hairstyle, the hair on the top of the head disconnects from the sides that are shaved. The transition that occurs from the long hair on the top to the short on the sides is very abrupt. This helps in creating a stark contrast between the hair on top and the sides. This hairstyle can be regarded as a bold and daring look for the stylish men out there.

### Conclusion

Thus, from our discussion of the topic, "**new haircuts for men**", it can be concluded that there are a number of excellent haircuts available that can be tried out. In addition to that, you should have a proper idea regarding which hairstyle suits your face. We have to keep in mind that the shape of your face determines the hairstyles that will suit you. Thus, this discussion can be regarded as very beneficial for all the men out there who are thinking about getting a new haircut.
