Introduction to this game

Counter-Strike (CS) can be regarded as a series of multiplayer tactical first-person shooter video games. In these games, teams of terrorists battle to perpetrate an act of terror. These include bombing, hostage-taking, assassination, etc. The counter-terrorists try to prevent this act of terror. Their activities mostly include bomb defusal, hostage rescue, escort mission, etc. At the end of each round, the players are usually rewarded. The reward is based on their individual performance. They are given in-game currency to spend on more powerful weapons in subsequent rounds. The winning rounds help in gaining more money than losing. In addition to that, completing objectives such as killing enemy players gives cash bonuses. At the same time, uncooperative activities, such as killing teammates, results in a penalty. As per reports, this series began on Windows in 1999 with the release of the first game that was called Counter-Strike.
