Know How to Check Ufone Balance & Benefits of Checking Balance

Ufone is a popular telecom service provider in Pakistan that offers a wide range of services to its customers. The telecom operator provides a variety of packages to cater to the needs of different segments of customers. However, it is important to keep track of the balance of your Ufone account to avoid any inconvenience. In this article, we will discuss the various ways of **how to check ufone balance**.

Method 1: Dial *124#

The easiest way to check your Ufone balance is by dialing *124# from your Ufone mobile number. You will receive an SMS containing your remaining balance, validity, and remaining data or minutes on your account. This method is free of cost and can be used by anyone who has a Ufone connection.

Method 2: Dial *707#

- Unlock your Ufone mobile phone and make sure it has sufficient battery and network coverage.
- Open the dialer app on your phone and dial *707#.
- Press the call button and wait for a few seconds for the USSD code to connect to Ufone's server.
- Once the connection is established, you will receive a pop-up message displaying your current balance, as well as the remaining data, SMS, and minutes that you have left.
- You can now use this information to manage your usage, plan your expenses, and take advantage of various offers and promotions.

Method 3: Use Ufone App

If you haven't already downloaded the app, you can easily find it in the Google Play Store or Apple App Store. Once you've downloaded and installed the app on your smartphone, follow these steps to learn **how to check ufone balance** through the app:

- Open the Ufone app on your smartphone.
- Log in to your account using your Ufone number and password. If you haven't created an account yet, you can do so by tapping the "Register" button and providing the required details.
- Once you've logged in, you'll see your account balance displayed on the app's home screen.

Method 4: Send an SMS

If you don't have access to the Ufone app or if you prefer to check your balance via SMS, you can do so by following these simple steps:

- Open the SMS app on your smartphone.
- Compose a new SMS and type "BAL" in the message body.

- Send the SMS to the Ufone balance inquiry number, which is UFONE (86363).
- Wait a few seconds for a reply SMS from Ufone. The SMS will contain your account balance and any other relevant information, such as the expiry date of your current balance.

Method 5: Call Ufone Helpline

If none of the above methods work for you, or if you have any other queries related to your Ufone account, you can call the Ufone helpline at 333 from your Ufone number. The Ufone helpline is available 24/7 and can assist you with any issues related to your Ufone account. The representative will ask for your Ufone number and some other details to verify your account and will provide you with the necessary information about your balance.

Benefits of Checking your Ufone balance

By knowing your balance, you can make informed decisions about how to use your phone, optimize your usage, and allocate your resources wisely. Checking your Ufone balance regularly helps you to stay on top of your mobile usage and take advantage of various offers and discounts offered by Ufone. Therefore it is important for you to know **how to check ufone balance**.
