Beautiful birthday poem for a friend

There are many birthday poems available on the internet that you can send to your friend, but if you are looking for the best ones that can truly make their birthday special & memorable, then below written are some of the best-

1. *By Anonymous-*

“There’s one gift that you cannot buy,
A buried treasure precious and true,
It’s the gift of a very close and king friend,
Exactly what I have in you.
We’ve shared each other’s happiness and joys,
And cried on each other’s shoulders in tough times,
These are our special and precious moments,
That makes us stronger and even bolder.
So I wish you ‘Happy Birthday’.
With all my love, heart and soul,
We’ll be best buddies forever,
Two halves of one amazing whole.”

2. *By Joanna Fuchs-*

“Happy birthday my dear,
You may look a little older,
Sadly youth does not come cheap,
So skip all the botox parties,
And just get the beauty sleep.
Always be glad that you’re young at heart,
And still look as good as gold,
Too bad that you’re not a millionaire,
And can not put your looks on hold”.
Love you my amazing friend!!

3. *Another **birthday poem for a friend** by a anonymous person-*

Happy Birthday my friend,
You're still a child at heart,
Eating in your bed is still a routine,
Early bird dinners are surely not your style,
But midnight pizza is more like your scene.
No one has got the right to call you old,
Because you can still pass the test for middle aged,
All your parts may hurt but still work,
With the right tuck, nip and dosage.
You have really never looked so young,
Your ears are still less hairier than your head,
Your arms don't jiggle like Jello,
And zits still limits you to tears."

4. *By Mulifar-*

"Happy birthday my dear,
Look in the mirror as nature was fair,
Not a day over twenty,
I'm just kidding because you are plenty.
Don't ever mean to burst your bubble,
But please stop asking for trouble,
You know what I mean
When you drink that high caffeine.
So, what should I bring?
Just give me a ring.
Elephant or a clown?
I knew you would just frown."

Conclusion

Friends and birthdays, both hold a great significance in our life. Friends are the extended family that makes our life a lot more beautiful and memorable. And so a **birthday poem for a friend** is one of the sweetest things that you can send to your friend on his/her special day. And that's why, we have written above some of the best poems that you can surely tell your friends to make them feel most special!!
